"Dr Sheldon & his staff provided nothing short of "Outstanding Service." I received a front tooth #9 implant. All of my questions were answered and I was made to feel that I was part of their family. I would highly recommend to anyone requiring dental implants to go with Dr Sheldon & his professional team. You will be 100% happy with the results.

One area that Dr Sheldon needs to improve is his Humming/Singing that he does while performing his dental work on you. He definitely needs professional help to keep a tune!!!
