☆ Success Story ☆

I would like to thank ☆ Dr. Sheldon and his staff for everything. First, from the exam and X-rays for only a \$50.00 donation to a charity (my dental insurance was not effective until the following month) and the reduced price for paying in advance. Thanks that was great. Thank you also for filling out the insurance papers. Second, when I heard about tissue grafting honestly I was nervous. Dr. Sheldon + his staff along with a very detailed explanation of what would happen made me feel at ease. I felt I was in great hands and I was right. Third, Thank you for the freebies toothbrushes, toothpaste, travel kit and reading material. Last but certainly not least, thank you for the entertainment singing, joking and very upbeat healthy atmosphere, in the office. It is great seeing people enjoying what they do. I will return and recommend Dr. Sheldon in the future. Thank you everyone for doing what you do.
