### ☆ Success Story ☆

*It was hard to believe <sup>☆</sup> that a little appliance, that Dr. Sheldon made for me to wear could make such a difference. At first I didn't really think that it would help much for my chronic pain, but I went from waking every morn not being able to lift my head from the pillow (the headache was so bad) to ~~no~~ head ache, and a mild one since this appliance has been inserted. I have not experienced headaches for months.*

*I had facial ~~tingling~~ tingling in my cheek and pain and ringing behind my ears, I also experienced tingling and numbness down the arm and pain in the neck and shoulder. The pain in the shoulder has decreased tremendously and I am so happy with my results.*

*I am very grateful to Dr. Sheldon and his friendly and competent staff.*
