Dental Implants

New patients have not had the chance to experience what you have. With your help, they can feel more comfortable about beginning their periodontal program.

Have you had a memorable experience at Dr. Sheldon's office and want to share it with other patients? Here is your chance....Please take a few minutes, put your thoughts into words, and share your...

☆ Success Story ☆

3 each side ☆

After 6 dental implants and some additional bone grafts I had no pain. Never even took a Tylenol! There was minimal swelling on the side that required the bone graft to be done. ~~that was fine~~ Not even one bruise and I was out and about all day the day after surgery.

Patient Name: Gayle Newbern
