I attended Dr. Sheldon's seminar on implants in early Nov. '10. I was immediately anxious for a consultation to explore an implant in area that was not a missing tooth after all, but was a large space! I proceeded to make appts. to begin the process. Was soooo excited! The implant procedure was amazing to me. I experienced NO pain, during or after my implant. I believe that is possibly unique. Dr. Sheldon is terrific.... professional, personable, a pleasure to know. His staff is the best ever; the friendliest, courteous, and knowledgeable. This has been one of the best experiences of my life. I am thrilled with the results. I would highly recommend Dr. Sheldon to everyone, needing this procedure. In fact, I tell my story at every opportunity. Dr. Sheldon - U-da-man!
