Dental Implants

New patients have not had the chance to experience what you have. With your help, they can feel more comfortable about beginning their periodontal program.

Have you had a memorable experience at Dr. Sheldon's office and want to share it with other patients? Here is your chance... Please take a few minutes, put your thoughts into words, and share your...

☆ Success Story ☆

I was referred to Dr. Sheldon by my dentist for 2 implants. I found Dr. Sheldon to be highly experienced and qualified. He is kind, considerate and very caring. His staff is excellent. The implant procedure was quick and relatively painless. I have had no problems with my implants. I have received my crowns and everything is going extremely well. You can be in no better care than with Dr. Sheldon and his caring staff.
